JP – good morning.

We agree that 2 agreements is the best approach. We've completed our review and refer you to the attached for outstanding discussion points. Since key business terms are in order and the issues mostly pertain to legal nuances, I suggest that we try to get our respective counsels on the phone together to get this document completed. May I propose this WED, April 9 as I know that works for Chris Howard on our side?

Thanks much. Hope the week treats everyone well.

John

Hi John,

Please see the attached and below. Because there will be two franchises (HP & HH), we presumed two management agreements (one for HP and one for HH).

I am traveling but back next week to try and wrap a document up. Thanks John!

JP:

Attached hereto please find a “clean” and “blackline” of the form of Hotel Management Agreement compared to Olympia’s draft. Please note that Section 5.1(b) which deals with the right to terminate based on certain performance benchmarks will need to be clarified as to the timing of termination right after the first 12 months v. the full complete “Fiscal Year”. We can work with Olympia on this point as we finalize the Agreement. Please let me know if you have any questions. Thanks,
